

**Limestone Charter Association
6923 N. Trenholm Rd.
Columbia, SC 29206**

Notice to All Vendors:

Organizational Closure Effective June 30, 2026

January 29, 2026

Notice To All Vendors:

This notice is to inform all vendors that Limestone Charter Association will cease operations **effective June 30, 2026**. This closure is a result of the closure of Limestone University, which served as our higher education sponsor.

As part of the State of South Carolina's FY2025–26 Appropriations Act, Proviso 1.120 (SDE: Charter School Authorizer Contracts) provides that when an authorizer ceases operations, charter schools under contract with that authorizer may apply to a new authorizer for the remainder of the charter term. Additionally, the South Carolina Department of Education has been directed to implement a Local Education Agency (LEA) closure protocol by June 1, 2026, along with a timeline to guide the transfer of charter schools and the review of applications by new authorizers.

Due to this mandated transition process, our organization will be winding down all financial, contractual, and operational activities over the coming months.

In compliance with these requirements, our organization is proceeding with a structured wind-down of all financial, contractual, and operational activities.

Action Required from Vendors

- Submit all outstanding invoices for goods and services no later than April 30, 2026 to our office at 6923 N. Trenholm Rd, Columbia, SC 29206.
- Final payments for approved invoices will be issued before June 1, 2026.
- No renewals of services or contracts past June 30, 2026.

We sincerely appreciate the partnership and support you have provided during our operation. Thank you for your cooperation during this transition period.
