

LIMESTONE CHARTER ASSOCIATION

APPLICATION
TO UNILATERALLY REASSIGN A
CHARTER SCHOOL CONTRACT

Thank you for your interest in unilaterally reassigning your charter school contract to the Limestone Charter Association (LCA). LCA is committed to the highest levels of quality for itself and the schools it authorizes. LCA’s work is guided by the mission to serve as the cornerstone of charter school authorizing in South Carolina and to facilitate a positive, educational environment that fosters school autonomy through support and oversight to its member schools. This document outlines the process, timeline, and required documentation needed to satisfy the unilateral charter contract reassignment process.

In deciding to approve a school’s unilateral charter school contract reassignment request, LCA will evaluate the school’s historical academic performance, fiscal soundness, operational compliance, board governance, and adhere to the language outlined in Proviso 1.105. The process is designed to provide LCA staff with the necessary documentation to make an informed recommendation to the LCA Board of Trustees, who either approve or denies the unilateral charter school contract reassignment request.
